

ANNUAL ON STREET PARKING PERMIT

An annual permit to park on designated streets can be issued to a city resident. The purpose of the on-street parking permit system is to exempt the holders of permits from the time-limit parking ordinances in effect in the designated districts, except for alternate side parking or parking limits which are imposed for the purposes of street cleaning, garbage and snow removal. The City-wide 48 hour parking rule remains in effect.

The permit expires on December 31st of the year it is issued and must be renewed annually with the City of Beacon.
